

CCS RANKINGS

Last Updated: January 8, 2009

Please send any feedback, insights, or corrections to ccsrank@hotmail.com. Remember that these rankings are designed for **informational** purposes only – true rankings can only be decided on the mat – and should be considered a “who’s who” list of top wrestlers in the Central Coast Section. As the season progresses, rankings criteria will be consistent to those applied at the CCS Tournament seeding meeting – 1) head-to-head results; 2) returning CIF state medalist; 3) returning CCS medalist; 4) common opponents; 5) tournament placings; and 6) season record.

With a constant influx of head-to-heads and common opponents, these rankings will change quickly – and wrestlers will rise and fall accordingly throughout the course of the season. To insure accuracy, the rankings will be updated weekly, integrating the most recent tournament and dual meet results.

CCS wrestlers ranked in state as of 12/24/2008 ... www.thecaliforniawrestler.com:
