

CCS RANKINGS

Last Updated: February 11, 2010

Visit www.ccsrank.com for complete data.

Please send any feedback, insights, or corrections to ccsrank@hotmail.com. These rankings are designed for informational purposes only – as always, true rankings can only be decided on the mat – and should be considered a comprehensive list of top Central Coast Section wrestlers. Rankings criteria will be consistent to those applied at the CCS Tournament seeding meeting:

- 1) Head-to-head results
- 2) Returning CIF state medalist from previous year
- 3) Returning CCS medalist from previous year
- 4) Common opponents
- 5) Tournament placings
- 6) Season record.

With a constant influx of head-to-head results and common opponents (as well as wrestlers moving up and down in weight), these rankings will change quickly - and wrestlers will rise and fall accordingly throughout the season. To insure accuracy, the rankings will be updated weekly, integrating the most recent tournament and dual meet results.

** = returning CIF State qualifier

* = returning CCS medalist
