

# CCS RANKINGS

*Last Updated: December 17, 2009*

Please send any feedback, insights, or corrections to [ccsrank@hotmail.com](mailto:ccsrank@hotmail.com). These rankings are designed for informational purposes only – as always, true rankings can only be decided on the mat – and should be considered a comprehensive list of top Central Coast Section wrestlers. As the season progresses, rankings criteria will be consistent to those applied at the CCS Tournament seeding meeting - 1) head-to-head results; 2) returning CIF state medalist; 3) returning CCS medalist; 4) common opponents; 5) tournament placings; and 6) season record.

With a constant influx of head-to-head results and common opponents (as well as wrestlers moving up and down in weight), these rankings will change quickly - and wrestlers will rise and fall accordingly throughout the season. To insure accuracy, the rankings will be updated weekly, integrating the most recent tournament and dual meet results.
