

CCS PRESEASON RANKINGS

Last Updated: December 1, 2009

Please send any feedback, insights, or corrections to ccsrank@hotmail.com. These rankings are designed for informational purposes only – as always, true rankings can only be decided on the mat – and should be considered a comprehensive list of top Central Coast Section wrestlers. As the season progresses, rankings criteria will be consistent to those applied at the CCS Tournament seeding meeting - 1) head-to-head results; 2) returning CIF state medalist; 3) returning CCS medalist; 4) common opponents; 5) tournament placings; and 6) season record.

However, for the PRESEASON rankings, **returning CIF State/CCS medalist** will hold precedence over head-to-head results and common opponents from the 2008-09 season. Wrestlers are placed in projected weight classes for the upcoming season. With a constant influx of head-to-head results and common opponents (as well as wrestlers moving up and down in weight), these rankings will change quickly - and wrestlers will rise and fall accordingly throughout the season. To insure accuracy, the rankings will be updated weekly, integrating the most recent tournament and dual meet results.

** = returning CIF State qualifier

* = returning CCS medalist
