

# PRESEASON CCS RANKINGS

Last update: November 23, 2011

## Projected Weight Classes

Please send any feedback, insights, or corrections to [ccsrank@hotmail.com](mailto:ccsrank@hotmail.com). These rankings are designed for informational purposes only – as always, true rankings can only be decided on the mat – and should be considered a comprehensive list of top Central Coast Section (CCS) wrestlers. As the season progresses, rankings criteria will be consistent to those applied at the CCS Tournament seeding meeting - 1) head-to-head results; 2) returning CIF state medalist; 3) returning CCS medalist; 4) common opponents; 5) tournament placings; and 6) season record.

However, for the preseason rankings, **RETURNING CIF STATE OR CCS MEDALISTS** will hold precedence over head-to-head results and common opponents from the previous season. Wrestlers are placed in projected weight classes for the upcoming season. With a constant influx of head-to-head results and common opponents (as well as wrestlers moving up and down in weight), these rankings will change quickly - and wrestlers will rise and fall accordingly throughout the season. To ensure accuracy, the rankings will be updated weekly on the [www.ccsrank.com](http://www.ccsrank.com) and [www.thecaliforniawrestler.com](http://www.thecaliforniawrestler.com) websites, integrating the most recent tournament and dual meet results.

**KEY:** Rank - Wrestler - Year - Team - League - Previous Results (Wt.) Previous CCS Medalist
