

# FINAL STATE RANKINGS

Last update: March 1, 2012

The following rankings will include **only** those wrestlers (40) who qualified for the CIF State Tournament. I welcome feedback, questions, or corrections at [ccsrank@hotmail.com](mailto:ccsrank@hotmail.com) or [castateranker@gmail.com](mailto:castateranker@gmail.com). These data-driven rankings are designed for INFORMATIONAL purposes only. Rankings criteria will be consistent to those applied at most tournament seeding meetings: 1) Head-to-head results; 2) Returning CIF state medalist; 3) Returning sectional medalist; 4) Common opponents; 5) Tournament placings. LW = Last Week's rankings.

To ensure accuracy, the data-driven rankings will be updated weekly on the [www.thecaliforniawrestler.com](http://www.thecaliforniawrestler.com), integrating the most recent tournament and dual meet results. **Note:** With the upcoming league, sub-section, and section masters, wrestlers who fail to advance in the qualifiers – as well as those who are out with injuries or “second string” – will be removed from the rankings.

**KEY:** Rank - Wrestler - Year - Team - Section – 2012 Results (Wt.) Previous State Medalist

## TEAM RANKINGS

The primary criterion used in the team rankings is predicted performance at the CIF State Tournament, not dual meet strength.
